## **NURSERY/ LITTLE LAMBS – *God Created All Things***

“Discovering the Creator through His creation. Learning about the effects of the fall into sin and God’s promise of a Savior.”

## **JOYBUGS - *He Established a Testimony***

Old testament stories for Children

God has testified of His glorious deeds and mighty power. This curriculum explores God’s greatness by noting key themes found chronologically throughout the Old Testament. Bible stories are not written out: Teachers prepare the lesson through the study of scripture using a list of key themes, opening illustrations and application questions to acquaint children with a great God whose character never changes!

## **SONKIDS - *Jesus, What a Savior!***

A Study for Children on Redemption

Our children (like us) are helpless sinners, deserving of God’s eternal wrath. Children need to hear this truth so that they, like us, can turn to the perfect and only remedy-the free gift of salvation through Jesus the Savior!

Each lesson in “*Jesus, What a Savior*” is designed to present the material, including Bible stories, in a way that proclaims the centrality of the greatness and worth of God. This chronological study on redemption focuses on God’s revelation of His Son, Jesus, as the one and only hope for desperate sinners-the good news of the Gospel!!!

## **TRAILBLAZIN’ TRUTHSEEKERS - *To Be Like Jesus***

A Study for Children on following Jesus

What is salvation? How does someone become a Christian? What does it mean to become like Jesus? This curriculum helps answer these important questions by explaining elements of the Gospel message, it’s purpose, and promise. A major portion of this study focuses on the doctrine of sanctification-the process by which a Christian becomes more and more conformed to the likeness of Jesus.

## **JUNIOR HIGHS – *The Word is Truth***

A “*Desiring God*” curriculum.

## **SENIOR HIGHS**

Study on Proverbs for both Sunday’s and Wednesday’s.
